

# HEALTH ACCESS IMPACT

Adopting a systemic model of community controlled health delivery has allowed IUIH to effectively and efficiently establish a network of 14 Aboriginal Medical Services Clinics across South East Queensland. The graphs demonstrate the uptake of services since the IUIH was established.

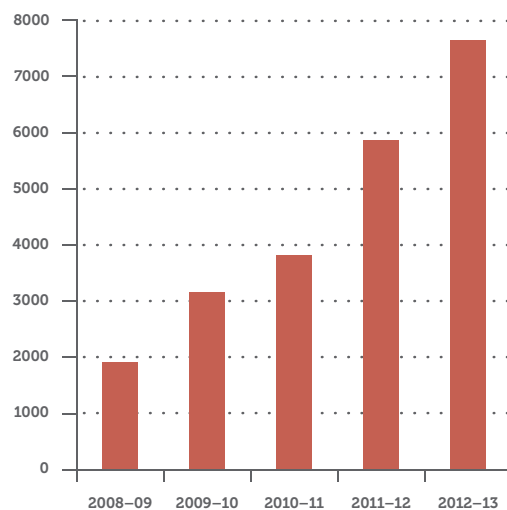

**ANNUAL UPTAKE OF INDIGENOUS HEALTH ASSESSMENTS HAVE INCREASED BY OVER 1000% SINCE 2008/09**

**ANNUAL UPTAKE OF GP MANAGEMENT PLANS HAVE INCREASED BY APPROXIMATELY 360% SINCE 2008/09**

**ANNUAL NEW PATIENTS HAVE INCREASED BY APPROXIMATELY 300% SINCE 2008/09**

**ANNUAL PATIENT VISITS TO DOCTORS HAVE INCREASED BY APPROXIMATELY 250% SINCE 2008/09**
