

Traineeship opportunities

Come along to an information day to learn more about kickstarting your career in health!!

Get paid while studying the Nationally Accredited BSB10120 Certificate I in Workplace Skills with Axiom College (RTO40489). This opportunity is for Aboriginal and Torres Strait Islander people aged 16+ and not attending school.

This deadly program is all about supporting Mob in their career journey, providing an opportunity to learn and gain skills for the workplace.

- Full-time traineeship (paid employment)
- 20 weeks, 5 days per week
- Work towards a nationally recognised qualification
- All training provided
- Connect with your community, work with Mob.

We are proud to offer safe space for Mob to try different career pathways in an empowering environment.
