

Drop In Yarn

Are you interested in kickstarting your career in health?

This deadly program is all about supporting Mob in their career journey, providing an opportunity to learn and gain skills for the workplace.

- Full-time traineeship (paid employment)
- 20 weeks, 5 days per week
- Work towards a nationally recognised qualification
- All training provided
- Connect with your community, work with Mob.

Join us for a yarn to learn more about this opportunity and the traineeships available through POWA.

We are proud to offer safe space for Mob to try different career pathways in an empowering environment.
